THE 1957 MUM INTRODUCTIONS

UNIVERSITY OF NEBRASKA through Prof. Glen Viehmeyer has introduced many fine rugged varieties; also the "carnation" flowered types (see "Pathfinder") Three fine 1957 yellow varieties follow:

Prairie Sunshine — Double 4" yellow flowers on strong stems on huge cushion-like plants, 2' tall by 3' wide. Season there - E. Aug. to L. Oct. Excellent cut flower; adapted to wide area. Price 50c each.

Dune Sand — Clear fawn yellow 2½" flowers in large sprays, 20-30. Excellent cut flower; L. Sept. on. Strong plants; 36" tall and wide. Huge mass bloom. Well adapted to north. Price 50c each.

Gold Ribbon — Cushion-like border variety measuring to 15" tall and 24" wide. Double light orange to yellow 1½" flowers, blooming from E. Aug. - Nov. Sturdy, storm resistant plants. Price 50c each.

UNIVERSITY OF MINNESOTA has introduced two excellent early varieties for 1957. See general list for many others.

Golden Fantasy — Clean, green foliated plants, about 18" high and wide, bear 2" golden yellow flowers with flaring tubular petals with forked tips, giving a fringed effect. Blooms early September to killing frosts. Price 75c each.

Minnpink — Vigorous short sturdy plants (12" tall - 25" wide). Bear profuse quantities of double 2" rose-pink flowers from late August to hard frost. Price 60c each.

OREGON STATE COLLEGE through the noted plant breeder, Dr. Kraus, has produced many marvelous new varieties. An unusual early one is included here for 1957. See general list for 1956 and older varieties.

Thurza Russell — A pert little cream white button with greenish center. Unusual and interesting. Price 60c each.

WYOMING'S "MUMS OF THE ROCKIES" — University of Wyoming has introduced many hardy, storm resistant varieties. The 1957 introductions follow:

Sundance — (By Prof. Gene Howard) Clear yellow frost resistant 3" flowers on 24" plants. Good cut flower. Tested in states from Montana to New Hampshire. Survived 4 Cheyenne winters. Price 75c each.

Tensleep — Developed by Dr. A. C. Hildreth and selected by Prof. Gene Howard. Fully double 2½" rose-pink flowers changing to old rose, from Sept. 1 on. Hardy, storm resistant, cushion-like plants 15" high to 20" wide. Tested in 7 northern and western states. Price 75c each.

LEHMAN (MINN.) — has introduced two much needed early whites for 1957.

Early White — Extra early cream white, good texture and coloring. (60c)

New Drifted Snow — Long blooming 3" flower on clean plant. Price 60c ea.

UNIVERSITY OF NEW HAMPSHIRE'S new "Granite Series" includes 10 extremely hardy, vigorous mums introduced in 1955 by Prof. Elwyn Meader. Bear long lasting, frost resistant flowers. The New Hampshire varieties will be with you after many others have fallen by the wayside. Eight are included in general list. Special Collection No. 1 — 10 different N. H. varieties (20 plants) — \$4.95 (Save \$2.05); 3 Col. — \$9.95 (Save \$5.05).

OTHER MONEY SAVING MUM COLLECTIONS

EXTRA EARLY FLOWERING COLLECTION NO. 2 — Of special interest to those who have had difficulty in getting sufficient bloom before damaging freezes. Eight early varieties — all colors — (16 plants) — for \$3.95 (You save \$1.60); 3 collections \$10.95.

EXTRA HARDY VARIETIES COLLECTION NO. 3 — For those who are tired of fickle varieties that have to be "babied." These are rugged varieties and most have very frost resistant flowers. All colors — (18 plants) — \$3.95 (You save \$1.60); 3 collections for \$10.95.

LONG SEASON CUT FLOWER COLLECTION NO. 4 — Includes some of the very best in cut flowers for early, midseason and late. All colors — (18 varieties) — 36 plants for \$10.95 (You save \$3.95); 3 collections for \$27.50.

LARGE FLOWERED COLLECTION NO. 5 — Some of the hardies bear flowers 3"-5" in diameter without disbudding and larger if disbudded. Grace Bradshaw and Ruby Breithaupt are examples and included here. Four varieties (12 plants) — \$2.95 (You save \$1.45); 3 collections for \$7.95.

THE ONE COLOR (ANY COLOR) COLLECTION NO. 6 — Fine for those planning definite color schemes. Put up in five good varieties of a color, namely white, pink, purple, red, bronze and yellow. Ten plants for \$2.50. (You save \$1.00); 3 collections for \$6.95.

LOWEST IN PRICE COLLECTION NO. 7 — Not a cheap collection but includes varieties in greatest supply at the time order is filled. Fine assortment, all colors. 50 plants \$7.50 (You save \$4.55); 100 plants \$9.95 (You save \$10.05).

(Note: All savings indicated above on mums are the minimum savings and may run considerably more.)

DAHLIAMUM. A violet cactus type flower with quilled petals. Cushion type. (Ht. 18"-20"; Sept. 10-15; 2½" fl.) Price 35c each; 3 for 70c.

***PURPLE SPOON** (Lehman-Minn.-1956) One of the very few early spoons. Flowers, soft violet purple with yellow centers. A vigorous grower. (Ht. 22"; Mid Sept.; 2½" fl.) Price 35c each; 3 for 70c.

***PURPLE WATERS** (Lehman-Minn.-1956) One of the very finest early dark purples. Excellent for cut and display in the garden. (Ht. 24"; Mid Sept.; 2½"-3" fl.) Price 50c each; 3 for \$1.00.

WELCOME (Univ. Minn.) Very early semi-double lavender purple. Excellent cut flower. (Ht. 24"; E. Sept.; 2" fl.) Price 40c each; 3 for 80c.

RED CHRYSANTHEMUM VARIETIES

ADVENTURE (Colprit-N.H.) Very bright showy red. Well liked. (Ht. 15"-18"; L. Sept.; 1½" fl.) Price 60c each; 3 for \$1.20.

***FRED STONE** (Kraus-Oregon-1956) Large very dark red duplex flowers with yellow centers. Vigorous plants; strong stems; Fine cut flowers. (Ht. 24"-30"; E. Oct.; 3"-4" fl.) Price 40c each; 3 for 80c.

***GLOWING COALS** (Kraus-Oregon) Deep cherry red flowers on well branched sprays with excellent cutting stems. Vigorous, hardy; our most dependable red. (Ht. 24"; Mid Sept.; 2½" fl.) Price 35c each; 3 for 70c.

***GRANITE PAGEANT** (Meador-Univ. N. H.-1955) Very bright red single on short, vigorous hardy plants. (Ht. 14"; M. Sept.; 2½" fl.) Price 40c.

***GRANITE PROMISE** (Meador-Univ. N. H.) Excellent brick red single on strong cutting stems. Very frost resistant flowers. Vigorous, hardy, dependable variety. (Ht. 25"-30"; L. Sept.; 3" fl.) Price 35c each.

***GRANITE RANGER** (Meador-Univ. N. H.) Semi-double brick red, frost resistant flowers with crested centers, surrounding a greenish disc. Strong stems. (Ht. 24"; L. Sept.; 1½" fl.) Price 25c ea.; 3 for 50c.

MESABI (Univ. Minn.-1956) Very early bright rust-red flowers with darker centers, in quantity. Cushion type plant but suitable for cutting. (Ht. 18"-24"; E. Sept.; 2½" fl.) Price 60c each; 3 for \$1.20.

RED GOLD (Univ. Minn.) Early red-orange pom. (Ht. 24"; E. Sept.; 2" fl.) 35c

ROSEDUST (Kraus-Oregon-1952) Bright cherry red flowers on very vigorous plant. Fine cut. (Ht. 25"-28"; L. Sept.; 3" fl.) Price 50c each.

***VULCAN** (Univ. Minn.-1955) Excellent early deep red. Blooms over long period; frost resistant flowers. (Ht. 20"; E. Sept.; 2½" fl.) 35c each.

YELLOW - GOLD - ORANGE CHRYSANTHEMUM VARIETIES

CANARY CUSHION (Colprit-N. H.) Very bright yellow starry flowers on vigorous low growing plants. (Ht. 12"-15"; L. Sept.; 2¾" fl.) Price 40c.

***EXETER** (Holley-Univ. N. H.) A very vigorous and hardy variety. Flowers, gold with a touch of bronze. Fast growing, dependable and showy. (Ht. 20"; Mid-Late Sept.; 2"-2½" fl.) Price 35c each.

GOLDEN MOUND (Lehman-Minn.) An excellent early golden cushion and one of the first to bloom. Nice green contrasting foliage. (Ht. 12"-18"; E. Sept.; 2" fl.) Price 40c each.

GOOD SPORT (Colprit-N. H.) Old-gold, semi-double flowers on good strong cutting stems. Very nice sprays of flowers that work beautifully into bouquets. Very frost resistant flowers. Hardy, vigorous plants. (Ht. 24"; L. Sept.; 2" fl.) Price 50c each.

***GRANITE GLOW** (Meader-Univ. N. H.-1955) Single soft yellow flowers on upright stems and excellent for cutting. The most frost resistant of all the varieties we have grown. We picked nice flowers after 20-25° F. temperatures. (Ht. 18"-24"; L. Sept.; 2" fl.) Price 40c each.

***GRANITE HARVEST** (Meader-Univ. N. H.) An extremely vigorous and hardy fast growing variety, bearing semi-double orange flowers. (Ht. 25"-28"; L. Sept.; 2½" fl.) Price 25c each; 3 for 50c.

***PATHFINDER** (Viehmeier-Univ. Neb.) This unusual variety produces bright yellow, carnation type flowers with notched petals. One of the first of a new race of mums. Plants, vigorous, hardy and attractive. Plants wind and storm resistant. (Ht. 22"-26"; Mid Sept.; 2½"-3" fl.) Price 35c each.

***RUBY BRIETHAAPT** (Kraus-Oregon State-1956) Very large primrose yellow flowers on vigorous, strong plants. Beautiful plants and excellent for cut flowers. Suitable for disbudding. (Ht. 24"-28"; E. Oct.; 4"-5" fl.) Price 50c each; 3 for \$1.00.

WINCHELL'S GOLD. This variety is seldom seen but it is an excellent variety. Showy golden flowers with bronze tints. Nice for potting and for cut flowers. (Ht. 20"-24"; Mid-L. Sept.; 3" fl.) Price 40c each.

BRONZE CHRYSANTHEMUM VARIETIES

AUTUMN BEAUTY (Wallies Gdns.-Minn.) A very early bright reddish chestnut. A showy variety for the early garden. (Ht. 16"; E. Sept.; 2½" fl.) Price 35c each.

***CHESTNUT** (Kraus-Oregon State) A rich reddish chestnut pom pom. A beautiful fall color. Flowers very frost resistant and fine for cutting. (Ht. 24"; L. Sept.; 1' fl.) Price 40c each.

COMPANION (Lehman-Minn.-1956) A large flowered golden-light bronze with excellent cutting stems. (Ht. 24"; Mid Sept.; 2"-3" fl.) Price 50c.

***EARLY KATHLEEN** (Lehman-Minn.-1955) An early copper bronze cut flower. Beautiful showy plant. (Ht. 26"; Mid Sept.; 2½"-3") Price 35c each.

FOOTBALL BRONZE (Lehman-Minn.-1955) A large flowered, incurved bronze, with good cutting stems. Tall upright plant. (Ht. 26"; L. Sept.; 3½" fl.) Price 40c each.

***FRANCONIA** (Holley-Univ. H. N.) One of our most vigorous, hardy varieties with frost resistant, long-lasting flowers. A very dependable pom pom. (Ht. 24"; Mid Sept.; 1½" fl.) Price 25c each.

***GRANITE BRONZE** (Meader-Univ. N. H.-1955) A sparkling, gold-bronze, with very frost resistant flowers. Extremely vigorous and hardy, fast growing plants. Use little fertilizer to avoid too rank growth. (Ht. 24"-30"; L. Sept.; 2¼"-2¾ fl.) Price 25c each.

HARVEST BRONZE (Univ. Minn.) Large flowers of rich apricot bronze. Very early, attractive flowers on low plants. (Ht. 15"; E. Sept.; 3" fl.) Price 35c each.

PRICES FOR ALL CHRYSANTHEMUM ROOTED CUTTINGS LISTED

One and two of a variety at price indicated. Larger amounts of any one mum variety are priced as follows: (except 1957 varieties) 3 @ 2X the each price — 5 @ 3X the each price — 10 @ 5X the each price.

Note: Order more than one of a variety, because of the saving and because 3 or more of a variety give a better garden effect.

SUBSTITUTIONS — Within reason, may sometimes help speed up an order. If made same color and higher value is sent. Please indicate by marking order "no substitutions" or "substitutions permitted."

TIME OF DELIVERY — Please mark orders with earliest preferred and latest date. Example: (May 10-(20)-30.

MINIMUM MUM ORDER — \$2.00 — Orders \$2.00 to \$5.00, add 35c to help cover postage and packing. Orders \$5.00 and up are prepaid anywhere in the United States.

SHIPPING DATES — April 15 to June 15.

TYPES OF PLANTS SHIPPED — All prices are for strong rooted cuttings.

PLANTING — Protect plants at time of planting from frost. Early orders can be potted or flatted if desired.

RESULTS — Rooted cuttings are used almost entirely by commercial growers. They will give excellent large blooming plants this fall.

DIRECTIONS — We will be glad to send directions to all purchasers.

SOME INTERESTING PERENNIAL VARIETIES

DIANTHUS "PINK PRINCESS" — A clear dark pink, fragrant, double, medium size flower on plants about 12" tall and 18" wide. Starts in early June and blooms 5-7 weeks, with few flowers all season. Very hardy, fast growing. Rooted cuttings on mail orders — 25c each. 5 for \$1.00.

CARNATION "KISS OF FIRE" — Very brilliant red on 12-15" plants. One of the best we saw in visits to many nurseries. Rooted cut. 3 for \$1.00.

MOONMIST CARNATION — Attractive double white on 12-15" stems. Rooted cut. 3 for \$1.00.

MONARDA (BEEBALM) — GRANITE PINK — Introduced by Prof. E. B. Risley, University of New Hampshire, in 1955. Seedling of Croftway Pink but more dwarf. A beautiful pink, fast growing, low maintenance, good for cut. Makes a colorful display in July and August. Very hardy.

	3	5	10	25
Rooted cuttings	\$1.00	\$1.50	\$2.50	\$ 5.00
Divisions (Bloom this year)	2.50	3.50	5.00	10.00

AJUGA METALLICA CRISPA is a very hardy, fast growing perennial for either sun or shade. Good ground cover. Has colorful purple-green leaves turning deep purple in cold weather. Sapphire blue flowers in May. Divisions: 3 for \$1.00; 10 for \$2.50; 25 for \$5.00.

AJUGA PINK SPIRE — Pink flowers blooming over long period, May-June. More suitable for rock garden as slower growing than above. Leaves are green. This variety is infrequently seen but well worth while. Divisions: 3 for \$1.00; 10 for \$2.50; 25 for \$5.00.

NEW RED RASPBERRIES FROM THE NEW HAMPSHIRE AGRICULTURAL EXPERIMENT STATION

Outstanding new varieties include the "New Hampshire" and the "Durham" which together give a supply almost all summer and fall.

NEW HAMPSHIRE is the latest red raspberry with strong, vigorous, hardy plants bearing very heavy crops of large firm conic berries of good quality. Proven winter hardy in areas much colder than N. H.

DURHAM is the earliest good fall bearer available today. Bears on the new canes, starting in late August and continuing until freezing weather. For fall crop only, cut all canes in early winter.

RASPBERRIES

PREPAID PRICES

	12	25	50	100
New Hampshire (No. 1's)	\$7.80	\$16.25	\$30.60	\$60.00
Durham (No. 1 large)	2.95	4.95	7.95	14.95
Durham (Medium)	1.95	3.95	6.95	11.95

STRAWBERRY PLANTS FOR THE HOME GARDEN

HEAVIEST PRODUCING PROVEN VARIETIES ONLY ARE LISTED. All are top varieties. All are grown from "virus free" stock except as noted (n).

PREMIER — Very early — high yielding — dependable.

CATSKILL — Mid-season — beautiful big berries — one of the best.

EMPIRE — New York's best — midseason — big — beautiful — fine quality.

PAYMASTER — Midseason — firm — fine quality — very productive.

ROBINSON — Mid-season — tremendous plant maker — very large.

SPARKLE — Late — solid red all through — fine freezer — excellent quality.

BLAZE (n) — New Hampshire's new big, beautiful, high yielding, big plants.

20TH CENTURY (n) — Everbearer, bears this year, starting in August on plants you set. Firm, high quality, large. The best everbearer.

PREPAID PRICES ON STRAWBERRY VARIETIES

	25	50	100
Blaze	\$3.75	\$7.50	\$10.00
20th Century	\$2.25	\$3.55	\$ 5.95
All Others	\$1.65	\$2.50	\$ 3.75

(All strawberry orders — latest order, May 15 — latest shipment, May 25 — all orders direct by mail. Specify earliest and latest date)

NEW HAMPSHIRE'S NEW LATE BLOOMING PINK "MACFARLANE" LILAC — This new University introduction is vigorous, blooms at very early age, has nice pink single flowers, blooms after "French Hybrids". Own root plants, mostly single stem. Rooted cuttings — \$1.50 each; 10"-12" — \$2.50 each; 12"-18" — \$3.50 each; 18"-24" — \$4.50 each — All postpaid.

ARNOLD ARBORETUM'S NEW ARNOLD GIANT FORSYTHIA is a very vigorous, hardy hybrid, with golden yellow 1½" flowers. Hardier in flower bud than Beatrix Farrand and many others. Rooted cuttings \$1.00; 3 for \$2.50 — prepaid.

NANKING CHERRY — An early spring blooming shrub with white or pinkish flowers. Cherries smaller but similar in taste to regular sour cherry. Birds love them of course. 12"-18" plants 75c each; 2 for \$1.25 — prepaid.

HAZELNUT-FILBERT HYBRID SEEDLINGS — Interpollinated Winkler hazelnuts and Jones filberts, mostly hazelnut type. 18"-24" \$1.00 — prepaid. Large sizes (4'-6') — \$1.75 each, express collect. These are very hardy. If you don't eat them the "birds and beasts" will. Can use as tall hedge.

SIZE OF ORDERS — The total of orders for woody materials as four items above and raspberry plants, should be \$3.00 if prepaid (if less, please add 50c to order.) They require different packing than other items.
